

CRIMINAL TRIALS.
CIVIL LESSONS.

JACK SHARMAN

A good plan violently
executed now is better
than a perfect plan
executed next week.

George S. Patton

Criminal trials. Civil lessons.

Jack Sharman

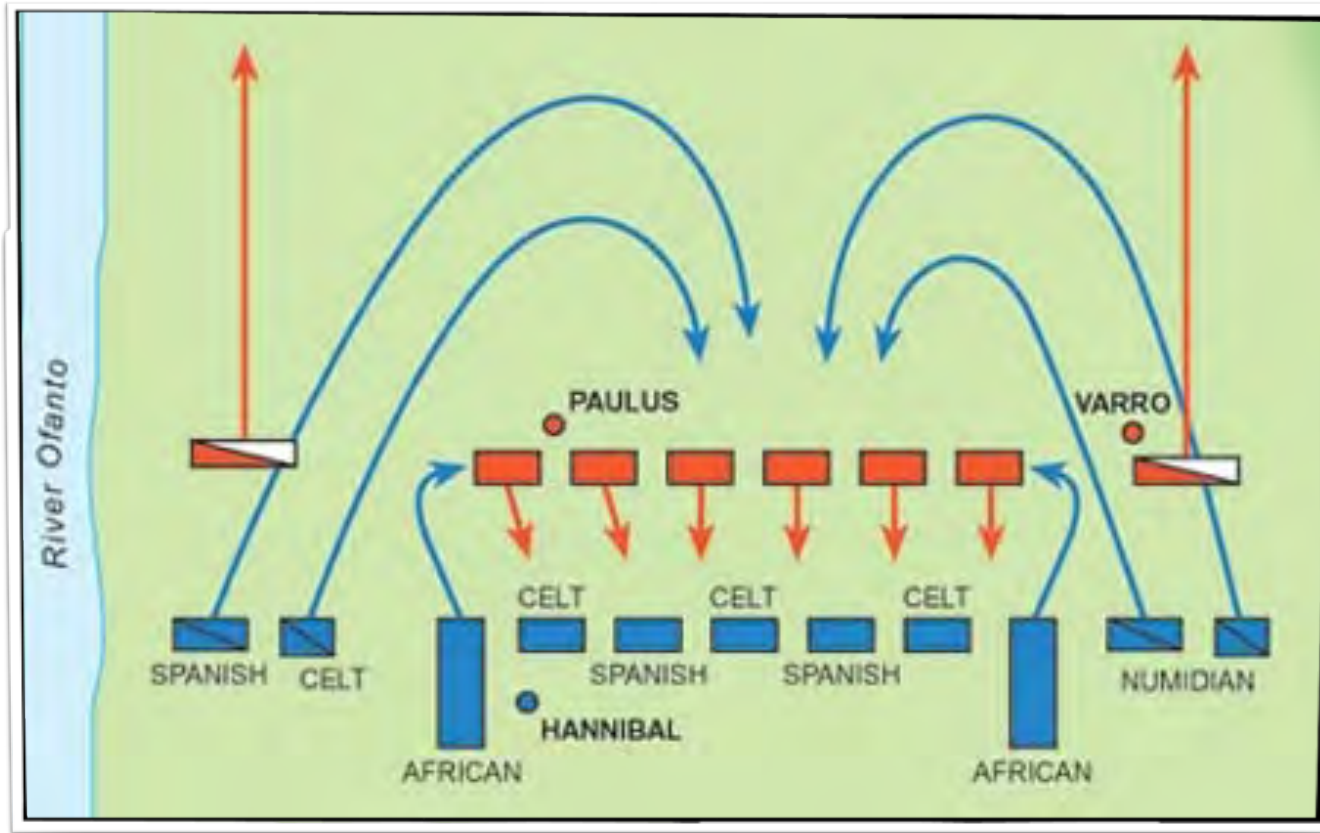

Take the fight to them.

Wait your turn, you lose.

Trial is about them, not you.

Oliver North and Congress

Get to the enemy's rear.

Battle of Cannae

Criminal trials. Civil lessons.

Jack Sharman

Investigate.

Don't wait for discovery.

Analyze now, not later.

Documents, witnesses, law.

Need that witness?

Tell our story through their witnesses.

Use the burden of
proof.

They have it; we don't.

Use the Constitution.

"The right of trial by jury shall be preserved."

Draw your chair up to the edge of
the precipice, and I'll tell you a story.

This case is personal.

Pursue one great decisive aim with
force and determination.

Karl von Clausewitz
