October 6, 2020

For the fourth consecutive year, Lightfoot, Franklin & White LLC has been named a “Best Mid-Size Firm to Work For” by Vault in its annual survey of associates. Lightfoot also secured a No. 1 ranking in the Quality of Work category.

In response to Vault’s survey, Lightfoot associates commented that “the firm is vibrant, hardworking, and dedicated to serving its clients the best way possible.” They also called out “the people who work here” and “the early responsibility” entrusted to associates as positives about the firm.

Vault also included Lightfoot in two other lists for 2021. The firm is named among the 25 “Best Litigation Boutique Law Firms” and is a “Top 150 Under 150,” which is a new list of leading firms with 150 lawyers or fewer.

“We are proud to be named to these prominent Vault lists. This recognition reflects our firm’s commitment to ensure that Lightfoot is a supportive place for all employees,” said managing partner **Melody Eagan**. “We embrace a ‘learn by doing’ approach with our associates, giving them early and consistent opportunities to gain experience and expand their skills through high-level work both inside and outside of the courtroom.”

All of Vault’s rankings are derived from its annual Law Firm Associate Survey, in which associates rate and comment on various aspects of their work life.
